

FILM CREWS IN YOUR NEIGHBORHOOD

In the event that a production company is filming in your neighborhood, here are some of the important criteria that must be met:

- The production company must have a permit to do the filming.
- The neighborhood must be notified in advance of the days and times of filming.
- Crew may not park their personal vehicles in the neighborhood where filming is taking place. They are to park at a base camp and be shuttled to the site.
- Areas must be provided for smoking breaks and butt cans for cigarette disposal.

If you are uncertain about any filming situation or to report a violation, please contact:

Film LA, Inc.
Arturo Pena
(213) 977-8600

Film LA, Inc. issues filming permits on behalf of the City of Los Angeles.
